# Manka Lutheran Secondary School

# Dear Children, Parents, Friends

Manka Secondary School is a private secondary school owned by the Lutheran Church Pare Diocese. It is registered for both boarding and day scholars and is a co-educational school. In spite of being a church school, it accepts pupils from different faiths all over Tanzania.

Manka school is in Pare mountains in Same District at Manka village 40km from Same town. The environment is best for academics. The water is plenty and the place is free from mosquitos.

## Our Goals:

- High academic standards. Therefore the school has a library with full of books for students and teachers to scoop the knowledge from. The school has competent teachers who are also very committed.
- Self-confident: Teachers help students to be Self-reliant by guiding them to behave and observe discipline.
- Advancement: The school have computers where by student and teachers study how to use computers which is a challenge in this age of science and technology.
- Sustainability: The school has plans to have project which will improve the income to make life in the school more comfortable.

Teachers of the Manka Secondary School

# Welcome

## VISION

The school to become an exemplary education institution promoting God given human capabilities with a view to build a just society which can manage resources in its immediate environment for the betterment of the society.

## MISSION

To provide learners with a quality education to enable them to develop their gifts for their own improvement.
